Join us for a rare opportunity to see the work and hear the stories of some of the up and coming artists of the Berkshires. We hope to hear why art inspires them, what their process is and what they think they are moving toward in their art. The show is curated by Emma Sims-Biggs. Some of the artists will join us for a discussion. Representative work is above clockwise by Rachel Shi, Danielle Klebes, Julia Matecjek, and Lucy Rollins below.
